SPORTS

An Activity Involving Physical Exertion and Skill in Which an Individual or Team Competes Against Another or Others for Entertainment

- **Kho-Kho** is a traditional Indian sports game, being one of the oldest outdoor sports dating back to ancient India. It is one of the two most popular traditional tag games in India, the other being Kho -Kho is played by two teams, with twelve nominated players out of fifteen, of which nine enter the field and sit on their knees (chasing team), and three extra (defending team) who try to avoid being touched by members of the other opposing team.
- Conducting international webinars for students to develop their skills & improve in Curriculum activities.
- Interacting with people from divided nationalities & cultures can gauntly enhance the academic experiences of a person & will add a depth of understanding to the particular subject of study of such a person.
- In addition to this the international student would have to prepare him say with the different & nanas & difficulties associates with being immersed in another culture.
